# A NOTE FROM OUR FOUNDER

To Our Valued Supporters,

Because of your generosity, Lotz of Blessings continues to grow in impact, reach, and leadership.

We are a volunteer-run, donor-funded nonprofit dedicated to empowering and educating youth while strengthening the communities we serve. Every program and every act of kindness is made possible by individuals, families, and local businesses who choose to invest in this mission.

Our programs are intentionally varied because education happens through experience. By serving multiple community needs, youth learn about real challenges and real people, better understand their community, and see firsthand how one act of kindness — or many — can change lives. That change may impact the person receiving help, a group of families, or the volunteer themselves, shaping future choices, values, and leadership.

What makes Lotz of Blessings unique is our inclusive approach. We welcome volunteers of all ages, with a strong focus on youth leadership, hands-on service, and meaningful community partnerships. Together with schools, nonprofits, and local businesses, we meet immediate needs while building long-term connections and understanding.

As we look ahead, our focus is on deepening youth leadership, strengthening partnerships, and growing sustainable support so we can serve more individuals and families each year.

Thank you for believing in our mission and for helping to unite and uplift our community.

# LEARNING THROUGH SERVICE

## Grace R.

Student Advisory Board

“ Being part of the Student Advisory Board has helped me grow as a leader. I’ve learned how service can create real change and how my voice and actions matter.

## Amber E.

Mother of Volunteers

Volunteering helped my kids grow in confidence, and responsibility. It’s been meaningful to watch them choose to serve and understand the impact they can have.

## Frazer Family

Board Member & Student Advisory Board

“ Volunteering together helps our family slow down and serve with purpose. It’s given our kids a deeper understanding of empathy and shown us how meaningful it is to give back.

Service at Lotz of Blessings is more than meeting needs — our programs are intentionally varied and designed to build empathy, confidence, and leadership.
